# *To My Many Friends In The Shorthorn Business*

It is with deep regret that we find ourselves at the cross roads of modern Agriculture. Our farm operation is geared around a number of cash crops such as tobacco, white beans and several others which takes a lot of labour and management. Also I have entered into contract to supply weaner pigs to a large feeder which must be maintained.

A herd of purebred cattle that is to be successful cannot play second place to other farm interests, therefore with so many other operations I find it necessary to disperse the entire herd. The herd sires are owned jointly with J. & A. McKinlay and therefore will not be included in the auction.

My late father R. F. McKinlay, who founded the herd was a true judge of quality, breeding and character. Out of the foundation females he selected is the fact that he had several families which bred cattle that are in favor with the buyers and also were able to win at the major shows in Canada and at the International, Chicago.

These are the families in the cow herd which you will have the opportunity to found a herd on or add to your present one. The cattle have not been fitted for sale, they are just in ordinary condition, the way nature made them, the way for you to buy them.

Sincerely,

JAMES C. MCKINLAY

## HEALTH STATUS

Herd is fully accredited. Blood tested under area test, all were negative to blood on first test and will be able to go anywhere in Canada.

## WARRANTY

1. Bulls, Lots 42 and 43 are guaranteed breeders. Bulls are performance tested on which the bull premium is 20% of the purchase price up to \$150.00.

2. Due to the fact that this is a complete dispersal the females will sell with no guarantee. Any statement from the box will be sincere and to the best of our knowledge, correct.

3. We will not be responsible for accidents that may occur. As soon as the cattle are sold they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of charge.

4. Certificate of registration in the Canadian Shorthorn Herd Book will be furnished with each lot sold.

5. If typographical or other errors are noted in this catalogue, announcements will be made from the auction ring. Such announcements will take precedence over the matter in this catalogue.

6. Terms Cash.
